STUDENT EXCHANGE PROGRAM BRIEFING

傳報之聲
UNIVERSITY OF MACAU

OVERVIEW

FST has academic connections with several universities and academic networks world-wide. Through these connections, students of FST are able to pursue one semester or more in the host institution.

Participating in a student exchange program is an opportunity to get not only academic experiences but also personal experiences by studying at other universities. It can be a very rewarding and enriching experiences to live in other countries to get to know different culture and other ways of thinking, as well as learning to be independent and taking care of oneself.
