The Oriental Chapter of COCOSDA (International Committee for the Co-ordination and Standardization of Speech Databases and Assessment Techniques) is pleased to announce that the 15<sup>th</sup> Oriental COCOSDA Conference will be held during **December 9-12, 2012** at the University of Macau, Macau, China. It will be jointly organized by the University of Macau and the Chinese University of Hong Kong.

Oriental COCOSDA is an international conference held annually by the oriental chapter of COCOSDA. It aims at boosting the research and development in the field of speech databases and speech technology and enthusing the interests towards spoken language research in East and Southeast Asia. The past Oriental COCOSDA Conferences were held in Japan, Taiwan, China, Korea, Thailand, Singapore, India, Indonesia, Malaysia, Vietnam, Japan, China, Nepal and Taiwan.

The Oriental COCOSDA Conference in Macau will feature world-class plenary speakers, and interactive lecture and poster sessions. Papers are invited to report substantial, original and unpublished research on all aspects of speech databases, assessments and speech input/output, including, but not limited to:

- Assessment of speech input and output technologies
- Multilingual speech corpora
- Phonetic/phonological systems for oriental languages
- Romanization of Non-Roman Characters
- Segmentation and labeling
- Speech databases and text corpora
- Speech processing and applications
- Speech prosody
- Standards in annotation and evaluation
- Any other relevant topics

Macau is an extraordinary city. The distinct feature has been the fusion between the East and Western cultures for more than 400 years of history. Whatever the architectures, foods, or music you discover, Macau culture is all about fusion. In addition to its numerous historical and cultural heritages, Macau is also known worldwide as the *Monte Carlo of the Orient* and the *Asian Las Vegas*, one of the three largest cities for gambling in the world. You are cordially invited to attend Oriental COCOSDA 2012 and to discover amazing culture, fabulous food, fascinating heritage and great shopping and exciting nightlife in Macau.

Oriental COCOSDA 2012 is now included in the IEEE's Conference Publication Program. This means that the Oriental COCOSDA 2012 proceedings of accepted papers (for oral presentations) will be indexed and published online on IEEE Xplore.
